

Client's Comments:

- Great design
- Love the "Face" representing a socket
- Levers includes for arms
- Could have a "Female" version

Designer's Reply: There is a female version.

Client's Comments:

Designer's Reply: *See other image.*

Summary of suggested changes:

- Change the fan in the B1 level to point downwards
- Include a banner to be played in B2.
- Microscope in B2
- Better dog visuals in B3.
- Include an option for both player models.

I, the client, hereby declare that I have seen the following designs and that I accept their use in the project, unless I have otherwise stated:
