

Client's Comments:

• Good use of examples + radioactive sources
to complete this level

Designer's Reply: The answer may be a bit much.

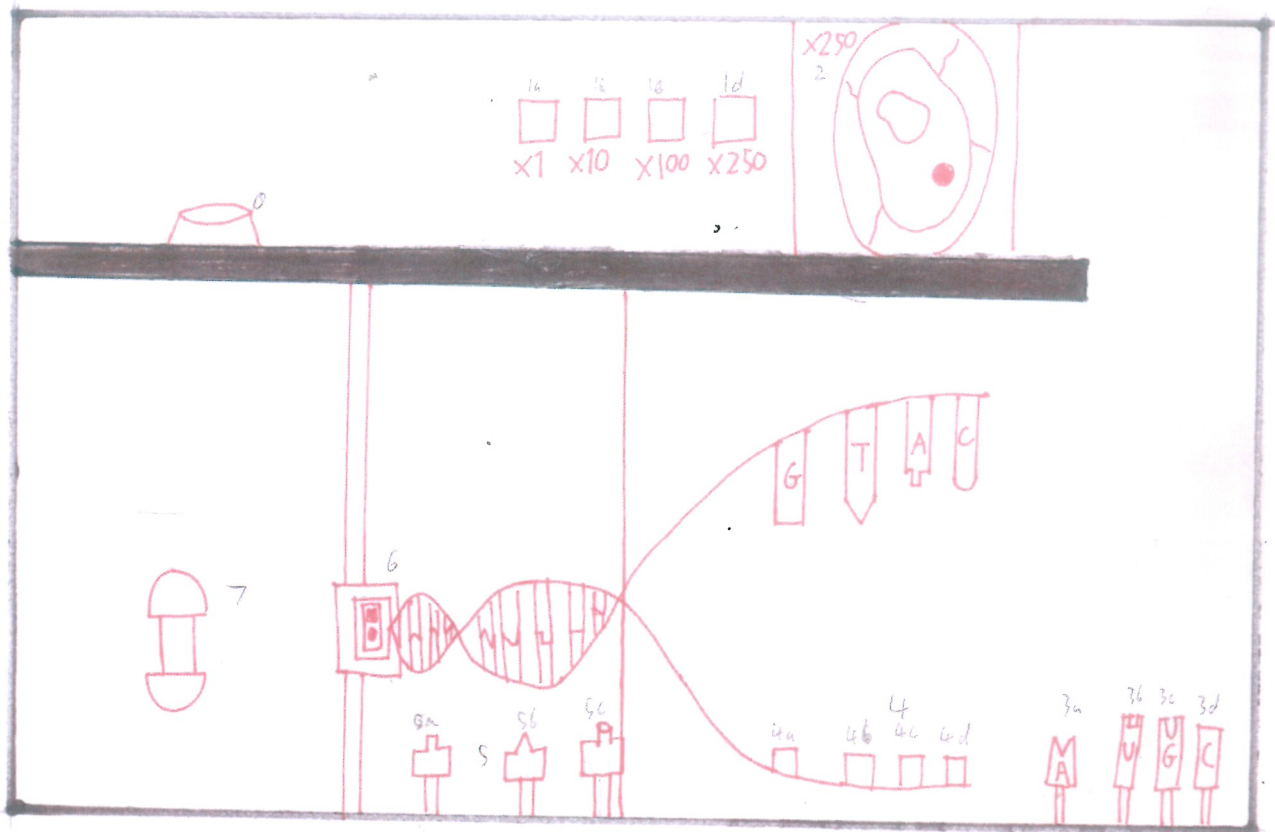

Client's Comments:

- Face Fan down more ~~for~~ to represent homeostasis
- Includes good range of topics

changed-

The placement of the fan needs to be

Client's Comments:

- * Could include a microscope somehow
- Like the DNA/Base code section

Designer's Reply: He wants to see the physical microscope, although I am not too sure how to implement this.
