

## Project Design Meeting

Date of Meeting: 23/08/16

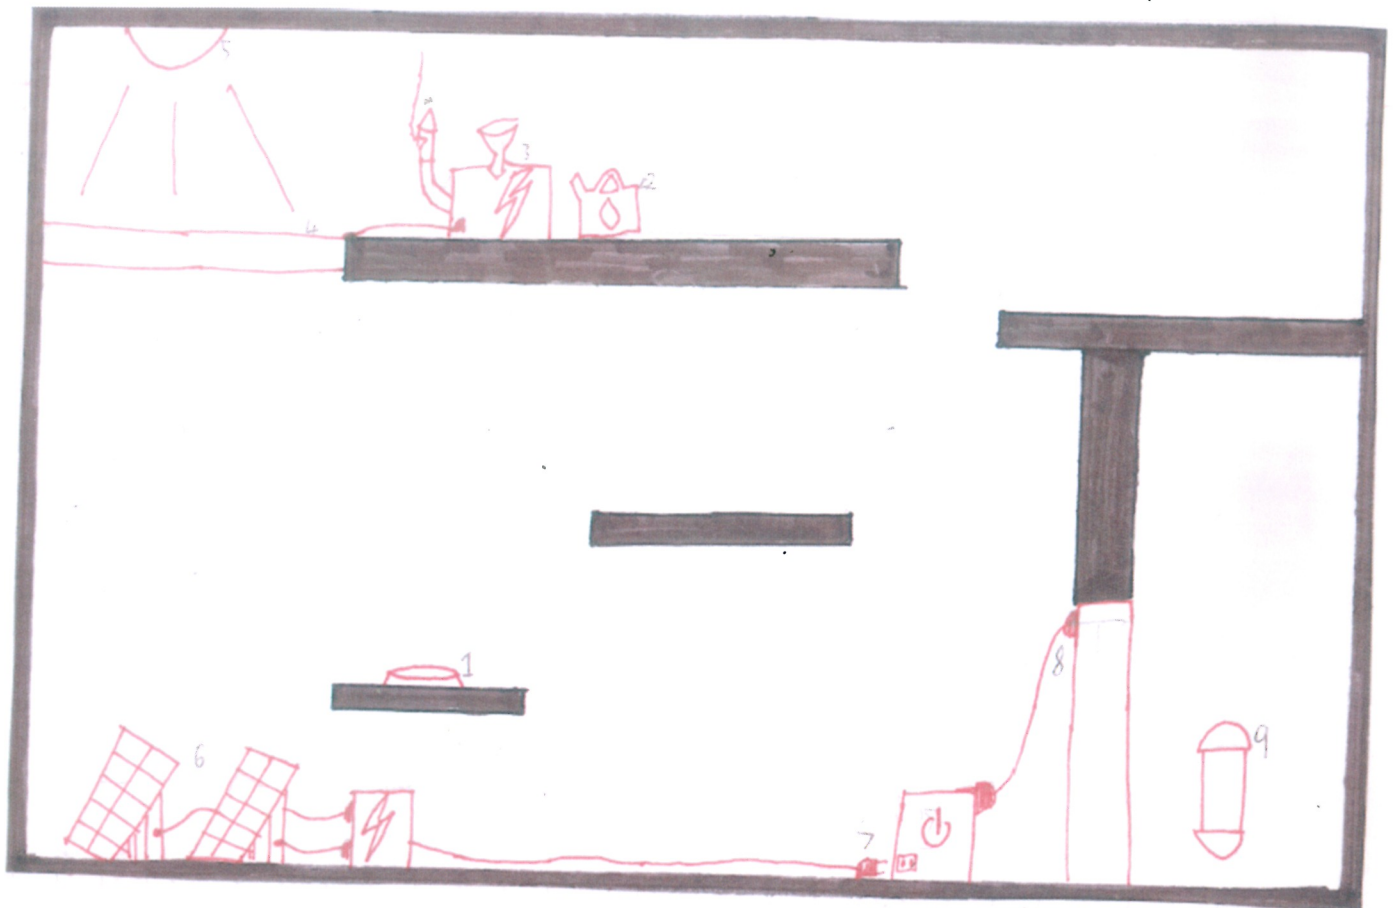

### Client's Comments:

- \* Interesting concept
- \* Easy to understand + follow
- \* Good "end" idea (Goal)

### Designer's Reply:

The client does not seem to have any issues with this concept

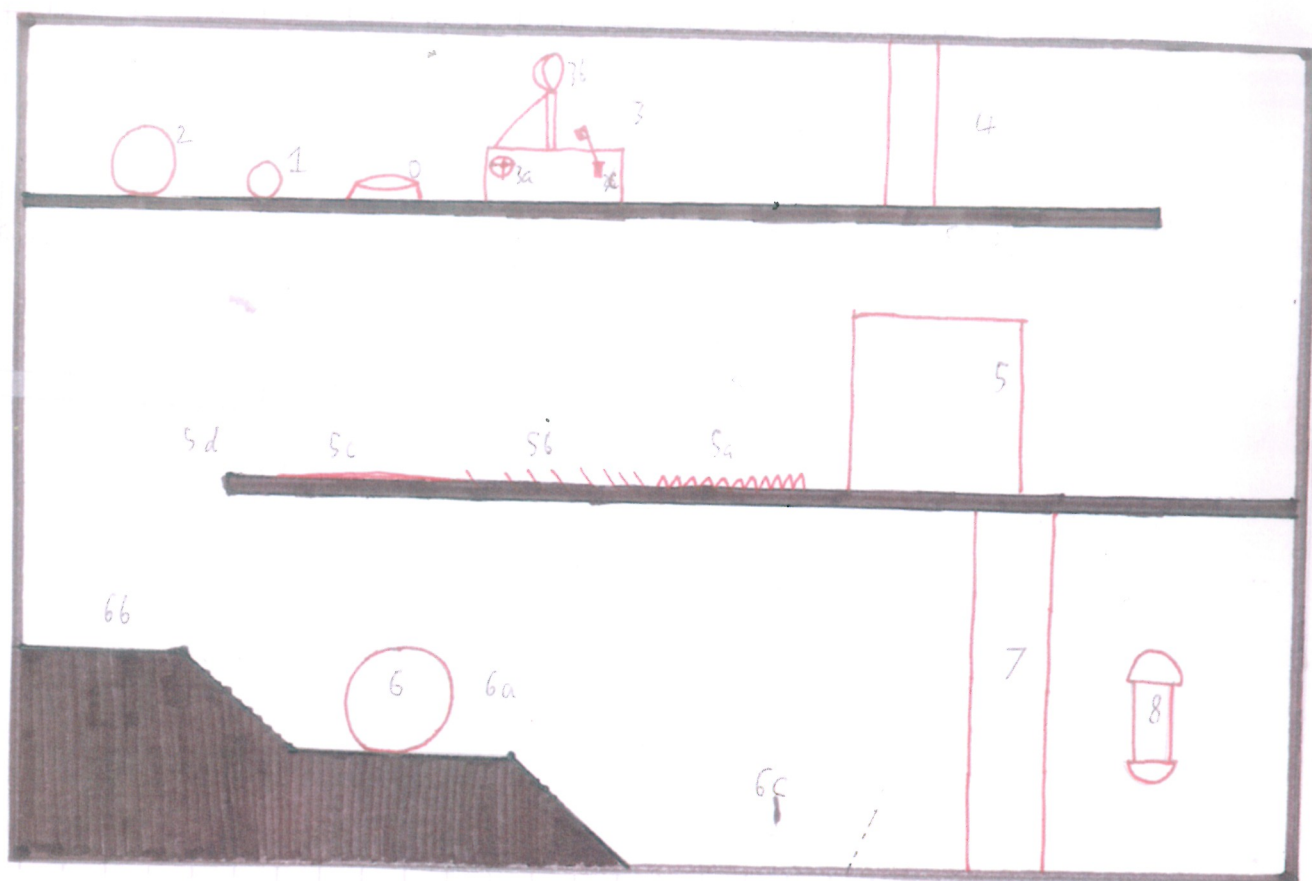

Client's Comments:

- \* I like it
- Good concept of Transfer of Energy

Designer's Reply:

The client has no issues with these concepts.

Client's Comments:

- \* Include good practical roles of Forces

Designer's Reply:

I worry about some of the more complex puzzles, but there isn't much else to show forces.
